

# Privacy policy

The Ministry of Economy, Trade and Industry stipulates a Privacy Policy in order to respect the protection of the privacy of users.

## 1. Basic premise

---

Industrial Machinery Division., Manufacturing Industries Bureau, Ministry of Economy, Trade and Industry respects protection of user privacy in operating the Official Website of Technology Innovation Seminar on safety regulations for refrigeration equipment (hereinafter referred to as the "Site"). Personal information that users of the Site provided will be handled appropriately in accordance with the Act on the Protection of Personal Information.

## 2. Scope of information acquisition

---

1. We automatically collect and store Internet domain names, IP addresses, web search queries and other information about access to the Site. Use of cookies (information transmitted from the server to the user's browser and

stored on the user's computer in order for the server to identify users) is limited to the purpose of improving the usability of the Site. Any personal information is not covered by the cookies.

2. We might request users to register their address, name, occupation, phone number and other information if necessary when conducting registration for events and for other public relations opportunities.

### **3. Purposes of use**

---

The information acquired in 2. 1 will be used as a reference for the smooth operation of the service provided by the Site.

### **4. Limitations on use and provision**

---

At the Ministry, except in cases of legal disclosure requests, cases of illegal access, threats and other unlawful acts or other special reasons, the information acquired will not be used by ourselves for any purposes other than those described in 3., nor will it be provided to any third

party. However, statistical information regarding access to the Site or information on user attributes may be made public.

## **5. Measures to ensure security**

---

The Ministry is taking measures necessary to manage the acquired information gleaned appropriately to prevent the leakage, loss or destruction of acquired information.

## **6. Scope of application**

---

This privacy policy applies only to the Site.
